

# 1st Fressingfield Scout Group

## Yoxford & Peasenhall School Section

### UNIFORM ORDER FORM

Dear Parents

As you are aware the School Scouting sections have been operating now for nearly two terms and this activity will now continue as part of the school timetable. The Scouting movement is a uniformed movement and we encourage all our members to wear and be proud of the world-wide association.

I would like to invite you to order your child's Beaver or Cub jumper using this form, as part of the set up arrangements for the scouting sections at school; I have secured a grant that allows us to offer these jumpers at a significantly reduced cost. This offer is only open until the end of November; new members joining the sections will then need to pay the full cost. There is no compulsion to buy a jumper but I hope that most will. Please be aware that I am unable to award badges to children that do not have a jumper. If your child already has a jumper from another Scout Group that can be worn and additional jumpers are not required.

Please also be aware that this request is coming from the Scout Group and not the school, if you wish to discuss this further please contact one of the uniformed leaders. Order forms should be returned directly to the uniformed leaders in a sealed envelope and cheques should be made to 1<sup>st</sup> Fressingfield Scout Group

Yours in Scouting
